NEBRASKA GRAIN AND
FEED ASSOCIATION

To proactively enhance the Nebraska grain and feed industry through effective communication with members, and to advocate their best interests through representation, promotion, education and the delivery of vital services.

Services Provided by Nebraska Grain and Feed Association

ANNUAL DIRECTORY

This is a valuable working tool, listing all members of the grain and feed industry in Nebraska. Additional information includes federal and state officials, industry information and a buyer's guide. Directory cost for a non-member is \$125.00 - FREE WITH MEMBERSHIP.

NEWSLETTERS

Includes news from National Grain and Feed Assn. and American Feed Industries Assn. in Washington, DC, update on legislation, upcoming meetings/workshops, rules and regulations and news of importance to the grain and feed industry. Non-members do not receive these newsletters.

BUSINESS FORMS & BOOKS

The association provides over twenty forms that members of the grain and feed industry need to operate their businesses. When forms are required by regulations we provide them. We also provide the official U.S. Standards for Grain, Grain Handling Pamphlets and Grain Dealer Receipt Books. Non-member cost is greater than members.

INDUSTRY/TRADE SHOW

The industry show will give you an opportunity to learn about new equipment and services and to visit with the suppliers. This is a convenient way to see them all in one place at the same time. The status of this event is currently being reviewed.

SUMMER MEETING

You can attend a meeting with outstanding speakers, take part in sporting activities, and socialize with others in the trade. This meeting is an opportune time to visit with old and new friends in the industry.

SPRING AREA MEETINGS

These meetings are informal. The groups are small enough to give you a chance to speak up or listen to others in your area. You will gain ideas and solve problems.

*GAF-PAC-Please consider a VOLUNTARY contribution of \$10 or more to the Grain & Feed Political Action Committee (GAF-PAC), when you pay your membership dues. Your help is used to assist state office and legislative candidates and office holders who support and understand the needs of the grain and feed and agribusiness industry as well as help inform on initiatives or ballot questions, which affect the industry. Your decision to voluntarily contribute to GAF-PAC will not affect your membership rights in the NeGFA. GAF-PAC contributions are not deductible for Federal Income Tax purposes.

LEGISLATIVE LOBBYING

The association is represented daily while the legislature is in session. The association has a lobbyist on staff who works for our trade on all legislative matters.

ISSUE RESPONSE TEAMS

A valuable resource for all members. Our issue response teams impact national and state legislation and regulatory matters. These teams are the basic form of guidance for the association.

EDUCATIONAL PROGRAMS

You and your employees can attend workshops/seminars on grain safety, bookkeeping processes, grain grading, hedging, marketing, etc. All schools are available to members at reduced costs.

TRADE PROBLEMS RESOLUTION

A professional staff offers information to the grain and feed industry on any problem. If the association does not know the answer, we will research until we find it or lead you directly to the source.

GAF-PAC

The association has formed a Grain & Feed Political Action Committee. Voluntary contributions will be used to assist state office and legislative candidates and office holders who support and understand the needs of the grain and feed and agribusiness industry as well as help inform on initiatives or ballot questions, which affect the industry.

CREDIT CARD PROCESSING

The Nebraska Grain & Feed Association now offers the option for our members to pay for workshops, supplies and dues with Visa or Mastercard.
