RE: 2010-11 Proposed Schedule "A" and "E" Rates

DATE: March 31, 2010

Please be advised that a public hearing has been scheduled for May 19, 2010, at 1:30 p.m. CDT (12:30 p.m. MDT), in the Commission Hearing Room, Lincoln, Nebraska, and the Panhandle Learning Center, High Plains Room, 4502 Avenue I, Scottsbluff, Nebraska. The testimony received at the hearing will be used to draft a schedule for the 2010-11 storage year. Written comment may be sent to the Commission's Warehouse Department, and must be received by May 18, 2010, to receive consideration.

Of particular interest to me will be discussion of Note 4, 9, 11, and 12. Regarding Note 4, I want to have conversation about elimination of a minimum storage. Regarding 9, 11, and 12, I think elimination of these notes is highly probable.

You should have a copy of the Schedule A and E rates in your possession for review. It is also available to view at the Public Service Commission website. <http://psc.nebraska.gov> Go to Grain Warehouse and Dealers, open it; from there, open grain warehouse and scroll to the bottom of the page to see the schedule A & E rates.

Questions relating to the proposed Schedule "A" and "E" Rates for 2010-11 may be directed to the Commission's Warehouse Department at 402-471-3101.
