

**GRAIN GRADING COURSE FOR WHEAT
(CORN, & SOYBEANS IF ENOUGH DEMAND)**

Aurora, June 19, 2008

**Sponsored by Nebraska Grain and Feed Association &
Aurora Cooperative and in Cooperation With USDA - FGIS**

Wheat harvest is right round the corner, so don't miss an opportunity to get yourself or your employees ready for wheat grading! The Nebraska Grain and Feed Association (NGF) along with the Aurora Cooperative is organizing an in-house wheat grading refresher course. However if there is enough interest, corn and soybeans will be included. Headlining the grading presentation will be Jim Whalen with the USDA, FGIS out of Kansas City. Members can attend the wheat grading session for \$45 (non-members \$75) and the corn and soybean session for \$45. (non-members \$75). Members can attend both session for \$75, and non-members for \$105. Lunch is optional. The sessions will be held at the **Bremer Community Center, Located in Aurora at 16th and L Streets.**
