The Nebraska Grain and Feed Association (NGF) and NEDAK Ethanol LLC, are proud to co-host the first Corn Grain Grading Session of 2010, at the NEDAK Atkinson Administrative building. Headlining the corn grading presentation will be Jim Whalen with the USDA, Federal Grain Inspection Service (FGIS). Anyone who has attended a course on grain grading with Jim comes away with an excellent understanding of grading procedures and areas associated with damaged grain. This is the first time in many years we have had an event in the Atkinson — O' Neill area. Space may be limited. Special hotel rates at the Sandhills Guesthouse are available. On behalf of NEDAK & NGF, we look forward to seeing you July 27!
