

2010 NEBRASKA GRAIN & FEED ASSOCIATION

Grain Engulfment and Confined Space Rescue Training Session

Presented by Ag Valley Cooperative, Compliance Advisory Services & The Nebraska State Fire Marshals Office

Ag Valley Cooperative, North Platte Location, June 10, 2010

The Nebraska Grain and Feed Association (NGF) in cooperation with **Ag Valley Cooperative, Compliance Advisory Services (CAS) and the Nebraska State Fire Marshals Office (SFM)** are planning a classroom and hands-on Grain Engulfment and Confined Space Rescue Training Session on June 10, 2010. This hands-on workshop will be held at the Ag Valley North Platte location. NGF members can attend the training session for \$90, while the nonmember rate is \$120. However, if members bring a volunteer firefighter you can reduce each registration fee by \$20, to \$70. The fees include the cost associated with the workshops, including all handouts or printed materials. Lunch will be provided. While grain handling facilities fall under a slightly different OSHA regulation (29 CFR 1910.272) than ethanol plants (29 CFR 1910.146), the rope rescue and the confined space rescue training would be applicable and equally beneficial to employees of all grain handling or processing facilities. The emphasis of the training program is on engulfment and confined space rescue. However, accident prevention is imperative, and the workshop will address a number of areas intended to avoid a catastrophic situation. Grain engulfment and confined space rescue involves working with ropes and harnesses for victim retrieval, and understanding these systems is critical. During the 4 hour session, NGF members will receive a mix of classroom and hands-on demonstration and training to assist in the prevention of avoidable accidents. NGF certificates will be issued to the participants who attend the training sessions. This training is an excellent follow-up to the NGF Elevator & Processor Safety Day held last month. **IMPORTANT! NGF will consider adding an afternoon session if there is enough interest!** If you or your employees are interested in attending the rope and confined space rescue training, please call Pat or Sara at the Association, 402-476-6174.

WHEN & WHERE

June 10, 2010

8:30 AM — 12:00 PM

Ag Valley Cooperative
North Platte Location
402 E. 7th St., North Platte

REGISTRATION & CANCELTION

Registration cost for NGF Members is \$90 and \$120 for nonmembers. **(If you bring a local volunteer firefighter, you can reduce each registration by \$20, to \$70!)** The deadline for registration is June 4th, but **if you plan to attend please register ASAP** so appropriate arrangements can be made. Cancellations or no-shows will not receive a full refund of the registration cost. **Registration price includes lunch.**
